Tobacco Theft

Expected to The World.
OKEMAH, March 29.—Roy Willberger of Pharach, who has been arrested on numerous occasions and on divers charges, seems to have gotten up against the real thing this week. Friday Sheriff Collier arrested Wilson at "25" on a whisky charge, and while searching the poolball conducted by Wilson found free or six cartons of a popular brand of smoking tobacco and some plug tobacco that looked sumpletous. The name of the store to which the tobacco had been shipped was cut off of most of the cartons, but on one the name had only been peratched off and enough of the markings remained to show that it had been consigned to Farmer grocary at Bryant.

Four 2½ cunces of Pinex in a pint hottle; then fill it up with plain gramulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar arrup, if desired. Thus you make a full pint—a family emply—but costing no more than a small bottle of ready-made cough syrup.
